Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Please clarify your relationship with "Torchmark Corporation Political Action Committee (Torch-PAC)," which you previously disclosed as an affiliated committee. Further, a connected organization must be identified on your Statement of Organization for separate segregated fund committees; however, you have failed to disclose a connected organization on Line 6. For further guidance on affiliated committees and connected organizations, please refer to 11 CFR §§100.5(g) and 100.6. Please amend your Statement of Organization to clarify any connected organization or affiliated committees.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather
